

ORTHOPEDIC CENTERS OF
COLORADO

OCC Imaging

Your physician has ordered an imaging study to facilitate your orthopedic care. Orthopedic Centers of Colorado Imaging is your physician's preferred imaging center, owned and operated by physicians within Orthopedic Centers of Colorado, LLC. Orthopedic Centers of Colorado Imaging is unique in offering state of the art equipment and a dedicated team of fellowship trained, neuro and musculoskeletal radiologists to achieve the most accurate interpretation of each image. By working with this handpicked group of radiologists, the surgeons of Orthopedic Centers of Colorado, LLC have partners in delivering the highest level of patient care.

OCC can also refer you to other imaging centers if OCC Imaging does not fit your preference. You are not required to obtain imaging services from OCC Imaging or any of the providers on the list below.

Address: 9780 S. Pyramid Court, Suite 160, Englewood, CO 80112

Phone: (303) 649-8998

Directions from I-25: Exit I-25 at Lincoln Ave., head East, at 2nd light turn left on Havana St., stay left as road forks (Havana becomes Meridian Blvd), turn left at Pyramid Ct. & make first left into parking lot.

Recognizing that you, the patient, have a choice in where your imaging study is performed, we are providing the list below of alternate sites within a 25-mile radius of our preferred facility. By furnishing this list, we are not endorsing any of these facilities. Nor is this exhaustive of all of your imaging options. It is possible your insurance may not cover scans performed by these providers, so always verify, with any facility, your expected payment and financial responsibility.
